

In August of this year, the Foundation awarded \$75,000 in scholarships to fourteen seniors attending Saratoga Springs High School, Saratoga Central Catholic High School, the Waldorf School and BOCES at Longfellow's Hotel and Restaurant. It was exceedingly important to the Foundation to be able to make these awards in person and truly congratulate these students in the manner in which they deserved. Although our event looked much different than years past, there was such a great feeling in seeing these students' faces when each name was called and their achievements were acknowledged.

As we all navigate these difficult times, I wanted to share the pictures from the event of the students.
